Insurance:

Special notices:

Each runner is responsible for his own insurance.

- Map change on the long courses.
- Rain or ice: dobbs are recommended.
- There is an 8 metre high rock face on the map. Courses go straight towards this rock and use its backward slope. You must not climb the rock face! An extract of this part of the map will be shown before the race.
- Because of the iron on the territory the use of a compass is practically impossible... ..however this won't be a problem because of the structure of the territory.
- Differing from the ISSOM Map Specification there will be two special symbols on the map. See map sample and declaration on the website.

German parktour on March 1st:

Only 15km from Duisburg in Bottrop. See
